

COMMERCIAL

# DCC

**AIR CONDITIONER** PACKAGED PRODUCTS

3 - 25 Ton

**ENERGY-INTELLIGENT™ HEATING AND COOLING SYSTEMS**

## *Commercial Curb Appeal*

Daikin brand commercial packaged products offer outstanding performance. Many retrofit applications do not require transition curbs. Look to Daikin brand commercial packaged products to deliver durable and reliable performance.

## DAIKIN DCC Air Conditioner Packaged Units

### *Comfort for Life*

Daikin is a global leader for indoor comfort, with millions of systems installed throughout the world. Today, millions and millions of people trust Daikin to deliver comfort for life to families and businesses alike.

### *Dependable compressor*

One of the most critical components of a packaged air conditioner is the compressor. Daikin brand DCC Packaged Air Conditioners boast high-

performance, high-efficiency compressors, which operate in tandem with our high-efficiency coil. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area. These high-quality components together cool effectively. This exceptional construction offers one of our best levels of reliability, durability, and efficiency you'll find in a compressor.

## FEATURES:

- 1 Built-in filter rack with standard 2" filters
- 2 3 - 2½ ton units are convertible for horizontal or downflow applications
- 3 Full-perimeter base rail; Footprint fits many existing curbs without a curb adaptor (3 - 12½ ton units)
- 4 Copper tube/aluminum fin evaporator coil

## BENEFITS:

- Energy-efficient heating and cooling performance
- Chlorine-free R-410A refrigerant
- Heavy-gauge, galvanized steel cabinet with UV-resistant powder-paint finish resists weather and time
- Air Conditioning, Heating, and Refrigeration Institute (AHRI) certified

### ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

### R-410A refrigerant

Compared to packaged units using R-22 refrigerant, your new Daikin brand DCC Packaged Unit will not only provide you with energy-saving performance for many years, but it also features R-410A refrigerant. This refrigerant does not contain chlorine.

Introduced in 1995, R-410A refrigerant has helped increase the durability and reliability of air conditioner compressors.

## OUTSTANDING WARRANTY\* PROTECTION

## Daikin: The Premium Brand industry leader

**DAIKIN**

Daikin Industries, Ltd. (DIL) is a global Fortune 1000 company which celebrated its 90th anniversary in May 2014. The company is recognized as the largest HVAC (Heating, Ventilating, Air Conditioning) manufacturer in the world. DIL is primarily engaged in developing indoor comfort products, systems and refrigeration products for residential, commercial and industrial applications. Its consistent success is derived, in part, from a focus on innovative, energy-efficient and premium quality indoor climate and comfort management solutions.

Our continuing commitment to quality products may mean a change in specifications without notice.
