

DRAIN IV™

Patent Pending

THE ULTIMATE SOLUTION

to keeping HVAC drain lines clear and clog free

DRAIN IV helps prevent clogs that lead to A/C shutdowns, overflowing drain lines, and drain pans that leak into walls and onto floors causing mold, mildew, and expensive damage!

"COMBATS SLIME"
(INCLUDING WHITE ZOOGLEA)

- 1 – DRAIN IV™ IV Bag — 1 Gallon — Refillable
- 1 – DRAIN IV™ 24VAC to 5VDC Converter w/ 10' type C USB
- 1 – Drip Tray Installation Kit
- 1 – Injection Port
- 1 – ¼" Tubing
- 1 – Filter
- 1 – Hardware Kit
- 1 – Installation Instructions

EASY Installation

Scan QR code for video installation & programming instructions

ITS AUTOMATIC

Smart timer & precise delivery system regularly treats HVAC drain lines, preventing clogs & buildup before becoming a problem

PROFESSIONAL INSTALLATION

Installed by licensed HVAC contractors & easily connects to existing HVAC system requiring minimal maintenance

LONG TERM SOLUTION

DRAIN IV can last 6 months between IV bag concentration refills

ECO-FRIENDLY SOLUTIONS

Uses environmentally safe compounds that effectively keep lines clear

SAVES MONEY

DRAIN IV prolongs equipment life & prevents damage from a system shutdown that could result in real property damage

ENERGY EFFICIENCY

Continuous HVAC line treatment prevents clogs & buildup before it becomes a problem

ENHANCES AIR QUALITY

Continuous HVAC line treatment prevents clogs & buildup before it becomes a problem

PREVENTS WATER DAMAGE

DRAIN IV helps prevent leaks and water damage caused by clogged condensate lines
