#### **SPEC SHEET**

# The new Nest Protect

Smoke and carbon monoxide alarm. It thinks, speaks, and alerts your phone.

# **Meet Nest Protect.**

There's never been a smoke and CO alarm quite like this. Nest Protect looks for fast-burning fires, smoldering fires, and carbon monoxide. It also speaks up when there's a problem, can be hushed from your phone, and it will even message your phone in case you're not home.

# How does it work?

# Get alerts on your phone.

Nest Protect can send you a message when there's a problem or the batteries run low.

# Tells you what and where.

Nest Protect speaks up if there's smoke or CO and tells you where it is, so you know what to do.

# Sees the CO you can't.

Carbon monoxide is an invisible, poisonous gas. Nest Protect tells you where it's hiding.

# A light in the dark.

Usually Nest Protect has its light turned off, but when you walk underneath it, Pathlight can light your way.

# **Every second counts.**

The Split-Spectrum Sensor looks for both fast and slow burning fires.

# Hush from the Nest app.

Just burned the popcorn? Quiet the false alarm with your phone, not your dish towel.

# 10-year life span.

Nest Protect's long-lasting sensors keep you safe and sound for up to a decade.

# Sleep safe and sound.

Nightly Promise is a quick green glow when you turn out the lights that says everything's working well.

#### **FEATURES**

- Phone alerts include:
  - -Low-battery
- -Smoke & Carbon monoxide
- -Sensor failure
- Split-Spectrum Sensor
- Voice alarms with custom location
- Nest App

- App Silence
- Detects carbon monoxide
- 10-year product lifetime
- Safety Checkup
- Heads-Up alerts
- Sound Check
- Self Test
- Nightly Promise

- Pathlight
- Steam Check
- Wireless Interconnect
- Safety History
- What To Do
- Home Report
- Emergency clip record with Nest Cam

### **SPECS**

#### Sensors

- Split-Spectrum Sensor
- 10 year electrochemical carbon monoxide sensor
- Heat sensor, ± 1.8°F (± 1°C)
- Humidity sensor, ± 3%RH
- Occupancy sensor, 120° field of view to 20 feet
- Ambient light sensor
- Omnidirectional microphone, 70dBA SNR

# Size and Weight

- Height: 5.3 in (13.5 cm)
- Width: 5.3 in (13.5 cm)
- Depth: 1.5 in (3.85 cm)

- Mass: Nest Protect Battery 13.9 oz (379 g) Nest Protect Wired 13.2 oz (375 g)

#### Speaker loudness

• 80dB @ 3 feet (1 m) @ 1kHz

#### Horn

• 85dB SPL @ 10 feet (3 m)

#### Light ring

• RGB color ring with 6 LEDs

#### Languages

- Out of the box
- US: English, Spanish Canada: English, French
- Downloadable
- English, French, Spanish, Dutch

#### Wireless

- Working Wi-Fi connection: 802.11 b/g/n @ 2.4GHz
- Wireless interconnect: 802.15.4b/g/n @ 2.4GHz
- Bluetooth Low Energy (BLE)

#### **Batteries**

- Nest Protect Battery Six long-life batteries (Energizer® Ultimate Lithium "L91" AA)
- Nest Protect Wired Three long-life backup batteries (Energizer® Ultimate Lithium "L91" AA)

# **Connectivity requirements**

- Wi-Fi connection
- Phone or tablet with iOS 8 or later, or Android 4 or later
- Free Nest account

#### **Operating**

- The alarm should not be installed in locations where the normal ambient temperature is below 40°F (4°C) or exceeds 100°F (38°C).
- Humidity range: 20%RH to 80%RH (non condensing).

#### Warranty

• 2-year limited warranty. For help, visit nest.com/support. Our support team is also available by phone 24/7.

#### Certification

 Nest Protect has been tested to comply with safety standards UL 2034, UL 217and NFPA-72 set out by UL and California State Fire Marshal.

#### **IN THE BOX**

- Nest Protect
- Batteries
- Backplate

- Four screws
- User's Guide
- Welcome Guide

# Nest Protect Wired also includes:

- 120V AC connector
- Three wire nuts
