

TECHNICAL BULLETIN Alumaguard® Warranty

Date: May 29, 2012

SUBJECT: PRODUCT WARRANTY

PRODUCT: ALUMAGUARD®, ALUMAGUARD® ALL-WEATHER, and ALUMAGUARD® LITE

POLYGUARD PRODUCTS, INC. hereby warrants that for a period of ten (10) years from the date of installation completion of *Polyguard's Alumaguard* products at the project installation:

Water will not leak directly through any individual *Polyguard Alumaguard* membrane as a result of deterioration of the membrane caused by ordinary wear and tear and the effects thereof; and *Alumaguard* will bridge ruptures caused by cracking or separation of the immediate insulation substrate up to 1/16th of an inch in width. Excluding *Alumaguard Lite*.

If at any time during such ten (10) year period the *Polyguard Alumaguard* does not perform as warranted above, then **POLYGUARD PRODUCTS, INC.** will supply replacement *Polyguard Alumaguard* in exchange for and to the extent that *Polyguard Alumaguard* is found by **POLYGUARD PRODUCTS, INC.** not to comply with this warranty.

This warranty does not apply to any *Alumaguard* membrane unless installed and maintained to conformance with the printed instructions of **POLYGUARD PRODUCTS, INC.** from time to time in effect. Further, this warranty does not cover damage caused by abuse or abnormal use of the *Polyguard Alumaguard* membrane, acts of God, or to inadequate or faulty design of the subject project (except as specified in Clause 2 above) and to repairs or installations made by other persons not approved by **POLYGUARD PRODUCTS, INC.**

Painting of *Alumaguard* or *Alumaguard All-Weather* will void this warranty. *Alumaguard Lite* can be painted as per recommendations in the *Polyguard* Technical Bulletin entitled "*Painting Alumaguard Products*".

The foregoing warranty is exclusive and is in lieu of any and all guarantees or warranties, express or implied, including without limitation the implied warranty of merchantability and fitness for a particular purpose. The remedies of the buyer for any breach of this warranty shall be limited to those herein provided to the exclusion of any and all other remedies, including without limitation incidental or consequential damages.

POLYGUARD PRODUCTS, INC. shall not be liable in any case for any damage to the building or the contents thereof. No agreement varying or extending the foregoing warranty remedies will be binding upon **POLYGUARD PRODUCTS, INC.** unless in writing, signed by a duly authorized officer of **POLYGUARD PRODUCTS, INC.**

A separate project information form must be completed to authenticate this warranty.
